10) The proposal, if sanctioned, would amount to the extension of service till 7 2 1942 as against the original proposal to extend it only till the end of January last. While recommending the latter concession, the President did not mention in his letter dated 11 11 1941 that the Offr had applied for leave preparatory to retirement but that it was refused. Neither has he sent the petition of the Offr dated 10 10 1941, together with the orders, if any, passed by him that the leave is refused in the interest of public service. Having regard to the facts of the case, there is no case made out for the grant of leave after supernumerary in this case
